**ACCURATE SCRIPTURES AND WHERE TO OBTAIN THEM:**

EWHAL is working with CEPHER to distribute and promote accurate translations of the Scriptures.

We are pleased to announce that we can take orders for the Cephers and other related materials at this conference.

<https://www.cephers.net/?af=188>

Cephers has been a light to this fellowship in its true translations of sacred scripture and we use the Cephers and associated materials as a baseline for our programming and events.

As a Natural progression of our ongoing relationship, EWHAL can now announce that we are an independent affiliate of the Cephers Group and we ask our community of followers to please use our unique link, which directs you to the Cephers website and supports the work of EWHAL when ordering Cephers products.

<https://www.cephers.net/?af=188>

There is no change to the EWHAL ongoing operations and we thank you for your support as we transition, after the recent loss of EWHAL Co-Founder Shane Knock.

## WHAT TO EXPECT:

We plan to meet on Shabbat to partake of a Pesach Meal as a teaching/learning experience. A separate leaflet will be sent to attendees as we would appreciate sharing food and drink on both days and this takes a bit of organising. Those living locally will provide the lamb.

We will come together to worship in celebration and praise in a true Messianic way with that awesome timbre of traditional Hebrew chords and compositions that touch YAH's heart as David did when he played the harp.

We are told that we only learn a little from what we read or what we hear, but we learn much more when we experience something. As we EXPERIENCE the Pesach Meal together, be prepared to comprehend so much more about YAH's overall plan.

Speakers from EWHAL will open the Scriptures to us as we journey together discovering the lessons we can learn from Pesach. Tony Wright from Cornwall will also share regarding the Feast and its importance today.
